

LEMONADE STAND FOOD

SAFETY TIPS

- All items must be purchased from an approved source, such as a grocery store;
- Water must be obtained from an approved water supply;
- Lemonade, ice, cups and any associated utensils shall be stored off the ground at all times;
- Wash your hands often with soap and water;
- Pull your hair back or wear a hat;
- Prepare your items on clean surfaces;
- All spoons, pitchers, containers, and utensils shall be cleaned before each use; and
- Hold cups at the bottom and do not touch the tops of the cups.
